## Targa Tasmania - The Lotus Tour 2020

Saturday 25<sup>th</sup> APRIL – Monday 4<sup>th</sup> MAY

### Package and Itinerary

Targa Tasmania is the largest tarmac rally in the world and one of the greatest driving experiences offering six days of spectacular rally stages conducted on closed roads.

The Targa Tour is the best way to have a spirited drive without having to make modifications to your road car. You get to drive the same closed roads as the competition classes without the pressure of competition. Add in accommodation, food and beverage, mechanical support from the expert Lotus Cars Australia team, and a bunch of like-minded Lotus enthusiasts, and you have the ultimate bucket list event.

The Rally travels around the whole island of Tasmania passing through the world-famous stages of The Sidling, Cethana, Hellyer Gorge and the awesome 52 km Mt Arrowsmith. These stages are renowned for their tight twisting mountain ranges, magnificent landscapes of lush rainforest, wide open farmland, and rugged coastlines. This fully supported 'Experience Lotus' event offers you the opportunity to enjoy your car on over 2000 kms of spectacular Tasmanian roads across 40 odd rally stages.

We have limited places available in The Official Lotus Tour 2020. Our Tour Leader will handle all your accommodation, meals and logistics. We will follow the rally and stay in the dedicated Targa locations, so you get to soak up the atmosphere of the event. Starting in Launceston, you will have access to Parc Fermé where all the rally cars are on display – ending up in Hobart you cross the finish line and receive your Targa finishers medallion. On Saturday you will celebrate your efforts with the Lotus crew and competitors.
